

Descendants of Moses Moore and Hannah Risk of Augusta and Bath counties, Virginia

Many descendants lived in Pocahontas County, West Virginia

This genealogy is an evolving work based on the best information I have at this time. It is necessarily incomplete. Although I haven't posted my source notes, they are available on request. In some cases, the source is secondary and may be of doubtful reliability. If you have any questions, please ask. I welcome corrections and additions.

To avoid posting sensitive information about people who are still living, I have included only the first six generations of this family. Family researchers who wish to have information on later generations or on my sources may e-mail me: jerry@wv.net.

First Generation

1. Moses MOORE. Born in 1717. Died AFT 9 JUN 1812 in Bath Co., VA.

Chalkley names John Risk as Moses's father-in-law; John Risk's will names daughter Hannah Risk "alias Moore." Cleck says he was the son of the Moses who died in 1758, but I haven't found any evidence of such a relationship. (The probate record for that Moses mentions his administrator, Thomas Meek, and two other men, John Ward and Jacob Martin; there is no mention of his relationship to these men, nor is there any mention of a son or any other relatives. On 17 NOV 1758 appraisers were appointed for estate of Moses Moore, dec'd., in "Green Brier.") According to James Moore Brown, tradition was that Moses was a brother of Capt. James Moore, but I have seen no evidence supporting that relationship either. There is also some confusion about how many marriages Moses had. Two of his children's death records name someone other than Hannah as their mothers.

On 18 NOV 1761 Moses married Hannah RISK, daughter of John RISK & Margaret, in Augusta Co., VA. Born in 1740. Died in 1810.

They had the following children:

- | | | |

| 2 | i. | John (1762-1823) |
| 3 | ii. | Jamea (1763-) |
| 4 | iii. | Margaret (1765-) |
| 5 | iv. | Moses (1767-1826) |
| | v. | Nancy? Born in 1769 in Augusta Co., VA. |

Nancy was not mentioned in her presumed father's will. A Bath Co., VA, marriage bond shows Nancy Moore marrying James Stewart 20 OCT 1794 with mother Marget consenting. Moses was still living at the time. Nancy may not have been a daughter of Moses, although some researchers believe she was.

Descendants of Thomas McNEILL and Mary HUGHES of Hampshire and Bath counties, VA, and the area that is now Pocahontas County, WV

This genealogy is an evolving work based on the best information I have at this time. It is necessarily incomplete. Although I haven't posted my source notes, they are available on request. In some cases, the source is secondary and may be of doubtful reliability. If you have any questions, please ask. I welcome corrections and additions.

To avoid posting sensitive information about people who are still living, I have included only the first six generations of this family. Family researchers who wish to have information on later generations or on my sources may e mail me: jmcneill@comcast.net.
